

The Sea Ranch Evacuation Exercise

Sunday, July 21, 2024

In partnership with the Sonoma County Department of Emergency Management (DEM), TSRA will be holding a **VOLUNTARY** Evacuation Exercise for members to practice quickly and safely leaving their homes in an actual emergency. Evacuation times will be based on divisions, and emergency alerts will be sent out by both the DEM and TSRA. You will receive a mailing from the DEM asking for voluntary opt-in to the DEM alerts specific to this exercise. Members are asked to practice evacuating and bring their Go Bag to the Knipp-Stengel Barn during their designated evacuation times based on location:

11:30 am

South Section

Divisions 1-5, 7

12:15 pm

North Section

Divisions 12, 14, 16-21

1:00 pm

Central Section

Divisions 6, 8-11, 13, 15

Not sure of your Division Section? Please visit our Emergencies page at tsra.org/emergencies/ to find out your Division or contact Member Services at info@tsra.org or 707-785-2444.

DEM and TSRA staff and volunteers will be available at the Knipp-Stengel Barn to answer questions and provide information and materials. Show your Go Bag for a chance to win raffle prizes. Refreshments provided.

Need more information about personal preparedness, an evacuation checklist, or how to create a Go Bag? Contact TSRA and we will provide you with a BE PREPARED packet.

Staff and Disaster Response Volunteers, wearing vests and ID, will be practicing communications and mock scenario responses during the exercise. **Hi-lo sirens and announcements may sound from TSRA and emergency vehicles.** Small flags and signs along roadsides will indicate mock emergency scenarios and are NOT actual emergencies. Please advise all renters and guests.
